Conversation Cards for Kids

About

Conversation cards for kids are a fun and simple way to get kids talking—whether at home, in the classroom, at camp, or during playdates! These free printable conversation starter cards include all kinds of kid-friendly questions in a variety of topics that help break the ice and get everyone chatting, laughing, and learning more about each other.

Just print the cards and cut them out. There are a few fun ways to play:

- Give each child a card and let them answer the question on it.
- Pick one card at a time and have everyone take turns answering the same question.
- If someone gives a short answer, try asking follow-up questions like "Why?" or "Can you tell me more?"

Printing Tips

- You can print the cards on regular paper, but they'll be sturdier on cardstock. If you want to use them over and over, laminating the cards will help them last longer—perfect for classrooms or family game nights!
